

In our languages we use a lot of metaphors which have their origin in the Bible.

The “Westfälische Forum” (DE) has selected and commented on twenty such “Biblical Metaphors”, as it is part of our immaterial cultural heritage, supporting the year of European Heritage 2018.

These metaphors with short commentaries and illustrations will now take the form of an exhibition which will be presented in Ireland and then in other European countries such as Slovakia and Belgium.

Sa lá atá inniú ann baineann muid úsáid as go leor nathanna cainte a bhfuil a mbunús le fáil sa mBíobla.

Roghnaigh an “Westfälische Forum” (DE) fiche de na nathanna cainte seo ón mBíobla agus rinne siad cur síos orthu, mar gur cuid dár n-oidhreacht chultúrtha iad agus freisin le tacú le Bliain na hOidhreachta Eorpaigh 2018.

Beidh na nathanna cainte seo chomh maith le tráchtairreachtaí agus léaráidí le feiceáil anois mar thaispeántas in Éirinn ar dtús agus ansin i dtíortha Eorpacha eile mar an tSlóvaic agus an Bheilg.
